Notice of SPORTident Card

Recently, there is wrong reference card number after online registration and on-site request for changing card number caused the inconvenience of the administration and result processing officials in the event, which would also affect the results of the ranking league.

Members who participate in any Hong Kong Orienteering Ranking League events are only allowed to use the annual-registered SPORTident Card (SI-card). Unless members declare with the association that they need to transfer SI-card because of any loss or damage (the previous SI-card number could not be used after SI-card is transferred), they must use the original-registered SI-card to participate in the competition. The results for ranking will be disqualified if the SI-card number is different to the registered SI-card number.

The registered SI- card number will be being used for the competition therefore any self-entered SI-card number during the online application for the following competitions, 31/3/2019 (Luk Chau Au), 7/4/2019 (Ping Chau) and 12/5/2019 (Tsuen Wan Park) will not be adopted.

Members can rent a SI-card from the event centre with rental fee HK\$50 and deposit HK\$280 for each event if they have not got their registered SI-card during the day of competition.

The above provisions have been endorsed by Technical Committee and will be formally effective in the next session of OAHK orienteering events. The 2019 OAHK Membership List will be published onwards for members reference.
